Law Department, Bangalore.

Sir,

Subject - Continuance of the three temporary sub-overseers during the year 44-45 for attending to the Public Works in the Municipality.

Adverting to Government Order No L 1550-2/ dated 5-8-1943, sanctioning the appointment of three suboverseers temporarily for a period of one year for attending to the increased public works in this Municipality during the year 1943 44, I have the honor to state that the accompanying note received from the Municipal Engineer explaining the circumstances for the continuance of the appointment of the three suboverseers was placed before the Municipal Council in their meeting held on 29th July 1944, when the Municipal Council ~~in their meeting~~ sanctioned the continuance of the suboverseers during the current year also

The provision in the current year's Budget for public works amounts to Rs 2,50,000 which works out to Rs.36,000 per Mohalla and therefore it is necessary that

922 922/L

one Suboverseer should be appointed for each Mohalla. In these circumstances, I request you kindly to obtain sanction of Government to the continuance of the three temporary suboverseers during 44-45 as resolved by the Municipal Council

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT

Proposals regarding the continuation of the services of three suboverseers for the Municipality.

Last year it was found that the works in the Municipalit could not be supervised by the four suboverseers sanctioned for the Municipality The total number of Municipal suboverse prior to the entertainment of the licesning officer was five and there were six suboverseers working in the Trust Board. The works of the Trust Board and the Municipality were being attended to by all the eleven suboverseers Last year it was found that by giving the works of the Trust Board to the surveyors of the Municipality, there was confusion in the execution of works and there was not enough supervision of Munic pal works. Therefore, it was thought preferable to separate the works of the Trust Board and those of the Municipality and to entrust the Trust Board Suboverseers with the works of the Trust Board only and the works of the Municipality to the Municipal suboverseers

As per this arrangement it was found that at least one suboverseer was necessary for each Mohalla, the progress in each Mohalla coming to about Rs 30,000/- In Public works Department the progress per suboverseer rarely exceeds Rs 20, Further they will not have the miscellaneous works such as issuing licenses for construction of houses, attending courts disposal of Thakrar petitions etc , which a Municipal suboverseer should attend to The provision in this year's bud is Rs 2,50,000 which works out to Rs 36,000/- per Mohalla and it is necessary that one suboverseer at least is posted for one Mohalla this year also It is therefore suggested that the services of the three temporary suboverseers may be continued for the year 44-45 also Necessary provision is since made in this year's budget
